**Blue Gold Program**

**Planning Workshop on Community Led Agriculture Water Management for SAAOs, Lid Farmers & CDF**

Venue: CSS, Ava Centre, Khulna  
Date: July 2-3, 2018

**Objectives:**

- To improve understanding of the concept of Internal Polder Water Management and Community Water Management (CWM) specifically;
- To develop understanding and techniques to execute a crop-water system analysis for a CAWM area in a participatory manner through practical/field observation.
- To develop team spirit and familiarizing with the roles & responsibilities for different field staff members in CAWM areas;
- To develop understanding on the main activities, timeline and process steps for CAWM ;
- To Prepare an action plan for implementing CAWM;

**Participants:** Field staff (who has not received same training) working in CWM areas in Khulna and Patuakhali

| Organisation                          | Designation      | Number | Names   |
|---------------------------------------|------------------|--------|---|
| BWDB                                  | XOs              |        | Responsible for CAWM area   |
| DAE                                   | Trainer SAAO     |        | One for each CAWM area  |
|                                       | Local SAAO       |        |   |
| WMG                                   | Resources Farmer |        | Two farmers for each CAWM area  |
| TA BGP                                | CDF              |        | One responsible CDF for each CAWM area                                  |
| <b>Total</b>                          |                  |        |   |
| Ex. Part. day 2                       | UAD              |        | They can attend from 2 <sup>nd</sup> day as observer (invite for lunch) |
|                                       | DCEO             |        |   |
|                                       | SDE              |        |   |
| <b>For support &amp; facilitation</b> |                  |        |   |
|                                       | Zonal TA staff   |        |   |
|                                       | Dhaka TA staff   |        |   |

## Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
