Blue Gold Program

Master file for

Polder 43/2D

Fatuakhali Regional Office

August, 2014

**Submitted by
Kazi Mozammel Hossen
Business Development Coordinator
Blue Gold Program, Fatuakhali**

This is an abstract document of Blue Gold Program for the Business Development Component. All information and data should have to undergo content check of the polder to develop water Cluster/Networks.

Blue Gold Program is a partnership between Socioconsult and MottMacDonald, Socioconsult and BFS. The project is led by Bangladesh Water Development Board (BWDB) and Department of Agriculture Extension (DAE) as technical partner and is jointly funded by the Government of the people's republic of Bangladesh and the Government of the Netherlands. The project aims to reduce poverty of the people in the coastal areas by enhanced productivity of crops, fishes and livestock and increasing income by improved processing and marketing of agricultural products including value chain development.

Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
