Samajik Unnayan Sangstha (SUS)
2nd Floor, Zaipia Plaza, Battala, Barisal

Brief Report on
OM Training for WMGs
(After completion of ten batches training)

Background:
On November 11, 2015, the Samajik Unnayan Sangstha (SUS) has enter into a consultancy agreement with the Blue Gold Program for providing training service in conducting the organizational management training course for WMGs at the polder under Khulna, Patuakhali and Satkhira. The SUS training team was responsible to prepare training team members and organize necessary dry-run to ensure proper implementation of training session as well as conduct training sessions according to training module. As per agreement, SUS shall carry out the service within the period starting from 15, November 2015 to 15, August, 2016. As the March 2016 is the month of union parishad election, respective training coordinator of Blue Gold Project stopped the training for this month in consultation with SUS. The SUS submitted bill for 1st payment after completion of 2 batches trainers' orientation and 10 batches OM training. This report contains the information of those training and orientation about the impression of participant, participant attendance, major findings and challenges faced by the training team.

Dry – Run Session:

Pawalkhali team

In consultation with respective district training coordinator of Blue Gold Program, SUS arranged two days a dry-run course at Patuakhali. Most of the concern Field Organizer and respective district officials of Blue Gold Program attained in 1st day orientation (1st half) while SJS provided a snapshot (the course objective, target participant, working strategy, role of Blue Gold Field staff as well as trainer team) of training program in the house. In the 2nd half of 1st day and 2nd day the trainer team consist of 4 senior trainers and one Training Coordinator conducted dummy session and prepared them for field training.

china team

In consultation with respective district training coordinator of Blue Gold Program, SUS also arranged two days a dry-run course at Khulna. The concern training coordinator and respective district officials of Blue Gold Program attained in 1st day orientation (1st half) while SUS provided a snapshot (team objective, target participant, working strategy, role of Blue Gold Field staff as well as trainer team) of training program in the house. In the 2nd half of 1st day and 2nd day the trainer team consists of 4 senior trainers conducted dummy session and prepared them for field training.

Participant impressions:

The training module is well written, simple but clearly described and communicated all relevant information. Selection of contents and the methods are appropriate to achieve the course objectives. As it was fine-tuned after field test earlier, the participant praised the training module during practice.

Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
