**Workshop Report on
Experience Sharing & Coordination Workshop
Venue: RDF, Barguna
Date: 19-21 February 2017**

Day-1 (19.02.2017)

Discussed issue: Welcome address and introduction

Two days long workshop was organized led by SVC group in the title of "Experience Sharing and Coordination Workshop with participatory approach". BDCs, Agriculturist, MT, JMT, Value chain expert, and Program Advisor were present as key facilitator and CDFs (former FOs) were present as target participants. Beside TL and DTL was present as observer on 2nd day of the workshop.

All participants were reached to the workshop venue on before 5:00 pm by 19th February 2017. After take short refreshment, all participants were attended the inauguration session on 6:30 pm and continued by followed dinner. Inauguration session was facilitated by Mr. Tamvir Islam; at first he expressed gratitude to all for timely reached the workshop venue. Then he gave welcome speech to all participants and request for short introduction. After that he explained the workshop objective is; to improving coordination and cohesion among CDFs as member of polder teams to contribute in 'unified approach' to achieve SVC objectives.

Just after ended the welcome address, Mr. Shahidul Haque handle the session through very enjoyable facilitation by asking some question like; personal, educational, length of experience, expertise area and skills etc. He also gave the instruction to participants for divided groups according to the answer and this process made a very enjoyable to each others. Objective of this session was checked the groups dynamics and assess the staff's competency in terms of capacity to implement the SVC activities.

Discussed issue: What was our present practices in FFS?

Mr. Shamim Yusuf facilitated this session as lead facilitator and Mr. Zahangir Alam assist him as co-facilitator. This session was fully conducted by asking & answering process. At first he shared about the module of FFS activities and made discussion on the module by asking different question. FFS activities mainly followed three type module like; Module-01(Homestead Vegetables + Local Poultry + Nutrition), Module-02 (Beef fattening + Fish Culture + Nutrition) and Module -03 (Milking Cow + Fish Culture + Nutrition). From each module, facilitator tried to know about the number and name of

Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
