Blue Gold Program

Blue Gold Program Orientation for Kalapara Upazila Parishad
 Place: Patuakhali WD Division, BWDB, Kalapara Date: Nov 09, 2017

To Brief the Upazila Parishad, Upazila level officials of the line departments about the Blue Gold program; it's implementing agencies, objectives, targets, activities, areas, stakeholders and implementation procedures, a half day Orientation program was successfully organized at Kalapara Water Development Board Office on 09 November 2017. Upazila Chairman, UNO of Kalapara, other officials from the concerned department, concerned four UP Chairmen covered by 2 Polder (47/3 and 47/4), Executive Engineer and other staff of Patuakhali Water Development Division, Kalapara attend in this Orientation Program.

Due to an emergency meeting of Kalapara Upazila Parishad in the morning on the same date Upazila Nirbahi Officer and Chairman requested to shift the program after lunch as all the Upazila level officers and UP Chairmen had to present in that Upazila meeting. The Office of Executive Engineer, Patuakhali WD Division built a well decorated stage for the orientation program at the premises of the Patuakhali WD Division, Kalapara but unfortunately we have to conduct this meeting in the office room of Executive Engineer. Though the meeting started around 2 PM very informally followed by a self-introduction to each other, the discussion was very interactive and prolific.

BGP Introduction

At the very beginning of the discussion, the Blue Gold objectives, activities, executing process and participatory water management approach- Functional WMOs was presented through a power point presentation by T&C Leader Mr. Abul Kashem. In this session Mr. Shorab Hossain explained the process of WMOs formation, its activities and legal entity i.e. registration process to the participants and Mr. Delower Hossain informed the audience about the rehabilitation plan and progress till now of infrastructure of polder 47/3 and 47/4 while Mr. Shamim Ahmed

Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
