### Report on the pilot Gender and Leadership Development training

Picture: Pilot Training on Gender and Leadership Development in Progress

#### Background:

Blue Gold Programme conducted three pilot training in Patuakhali, Khulna and Satkhira, on "Gender and Leadership Development". Objective of the training to create understanding on gender related constrains and how to tackle them (family, Community WMOs /Society) and to contribute and better participation of women in WMOs. Duration of the training was three days and a total of 28-30 participants attended the training. The participants' group consisted of 12 Executive Committee members of the WMOs, three potential female leaders from the general membership and 2-4 UP members.

The facilitator of the GLD training is authorized by BRRI through a contractual system. The training curriculum was developed by following the IPM/BRRI curriculum for GLD training, but it was modified and updated by gender specialist and training team considering the target content and participants level of understanding. It was therefore necessary to test the re-modified curriculum and identify necessary to be re-worked through feedback and practical needs before it will be suggested to a large scale.

#### Objectives of the GLD:

- To test the acceptability and relevance of the GLD training content.
- To assess the acceptability of the training methodology in relation to the culture and level of participants.
- To assess participants' interest and level of engagement towards the training.
- To assess women's knowledge, understanding and skill to derive the training.

#### Objectives of the GLD training:

- To change attitude and provide Gender Equity to WMOs.
- To ensure participation of women in decision making at household, WMOs and the Community level.
- To enhance women's leadership skill and motivate more leaders to create space for women.
- To provide good decision making and executive women members of WMOs and Community level.

## Blue Gold Program Wiki

The wiki version of the Lessons Learnt Report of the Blue Gold program, documents the experiences of a technical assistance (TA) team working in a development project implemented by the Bangladesh Water Development Board (BWDB) and the Department of Agricultural Extension (DAE) over an eight+ year period from March 2013 to December 2021. The wiki lessons learnt report (LLR) is intended to complement the BWDB and DAE project completion reports (PCRs), with the aim of recording lessons learnt for use in the design and implementation of future interventions in the coastal zone.
